has always attended Lewis Morrison's grand production of "Faust." Every season since this attraction was originated something new in the way of effect-electrical, scenic and otherwise-bas been introduced until the production was presumed to be without the least sion of new ideas, in short as near perfection as possible. Now comes the report that Morrison's new "Faust" this season will be found much changed from first to last act, with some of the most startling electrical and general general effects ever attempted in its production. Promises from this attraction have always been kept, and therefore opportunity to view Morrison's new "Faust" is looked forward to with pleasure. It is to be regretted. however, that this will be the last of the many successful seasons this play has enjoyed. Seats now on sale at Nelson's.

### HOME INDUSTRY.

MAYSVILLE, Kv., October 27tb, 1889.
I wish to announce to the public and citizens of Maysville that I, O. D. Barrass, on the 25d of this month bought out the "Power Laundry" of Mr. D. P. Ort of this city. I also hope I may still enjoy the trade of my predecesser, as I have had fourteen years experience in the Laundry business, which insures to the patrons superior work with the least injury to the fabric. To all I say do not forget home industry, as it is patriotic in principle. Yours very respectfully, oct27 2w O. D. BARRASS.
